Who said it ?

Draw lines connecting the quotes below to the person who said it:.

Look'ee here, Pip. I'm your second father. You're my son – more to me nor any son. I've put away money, only for you to spend.

I am my own engineer, and my own carpenter, and my own plumber, and my own gardener, and my own Jack of all Trades.

If you can ever write under my name, "I forgive her", though ever so long after my broken heart is dust – pray do it!

Life is made of ever so many postings welded together, as I may say, and one man's a blacksmith, and one's a whitesmith, and one's a goldsmith, and one's a coppersmith. Diwisions among such must come, and must be met as they come.

I have a heart to be stabbed in or shot in, I have no doubt ... and of course if it ceased to beat I should cease to be. But you know what I mean. I have no softness there, no – sympathy – sentiment – nonsense.
