Notes

- Pupils could record their own sound effects or you could appoint a 'sound crew' (two or three pupils to make the sounds with their voices).
- The instructions the inventors give their robots are also useful classroom commands which you could use regularly with pupils.

Translation

Bobo the robot

Inventor 1	Hello! I am an inventor.	Inventor 2	Toto ... get up!
Inventor 2	Hello! I am an inventor too!	Robot 2	I'm getting up!
Inventor 1	I have invented a robot ... Here is my robot!	Inventor 2	And what about my robot? Great, isn't it?
Inventor 2	I have invented a robot too ... Here is my robot!	Inventor 1	Hmmm!
Inventor 1	I'm switching on my robot.	Robot 1	Bobo ... the robot ... great ... great ...
Robot 1	He—llo! I am a robot. My name is Bobo.	Robot 2	Toto ... the robot ... great ... great ...
Inventor 2	I'm switching on my robot too.	Inventor 1	No, no, please, that's enough, robots!
Robot 2	He —llo! I am a robot. My name is Toto.	Inventor 2	No, no, please. Toto, Bobo, that's enough!
Inventor 1	Bobo ... listen!	Inventor 1	Oh dear! Goodbye, Bobo!
Robot 1	I'm listening!	Inventor 2	Oh dear! Goodbye, Toto!
Inventor 1	Bobo ... walk!	Inventors	
Robot 1	I'm walking!	1 and 2	Robots, huh! Goodbye!
Inventor 1	Bobo ... stop!		
Robot 1	I'm stopping!		
Inventor 1	My robot is great, isn't it?		
Inventor 2	Hmmm ... Toto ... look!		
Robot 2	I'm looking!		
Inventor 2	Toto ... sit down!		
Robot 2	I'm sitting down!		

2. Bobo le robot

The two inventors are standing either side of the stage, each with their robot at their side.

Inventor 1 (steps forward and speaks to audience) Bonjour! Moi, je suis inventeur.

Inventor 2 (does the same) Bonjour! Moi aussi, je suis inventeur!

Inventor 1 (points to his/her Robot) J'ai inventé un robot ... Voici mon robot!

Inventor 2 (points to his/her Robot) Moi aussi, j'ai inventé un robot ... Voici mon robot!

Inventor 1 (switches Robot on – electronic noises) J'allume mon robot.

Robot 1 (making jerky movements) Bon – jour! Je suis un robot. Je m'appelle Bobo.

Inventor 2 (switches Robot on – electronic noises) Moi aussi, j'allume mon robot.

Robot 2 (making jerky movements) Bon – jour! Je suis un robot. Je m'appelle Toto.

Inventor 1 (touches his/her ear and speaks to Robot) Bobo ... écoute!

Robot 1 (copying gesture) J'écoute!

Inventor 1 (to Robot) Bobo ... marche!

Robot 1 (walks) Je marche!

Inventor 1 (holds up hand to stop walking Robot) Bobo ... arrête-toi!

Robot 1 (stops) Je m'arrête!

Inventor 1 (turns to Inventor 2, proudly) Génial, mon robot, non?

Inventor 2 (touches his/her eyes and speaks to Robot) Hmmm. ... Toto ... regarde!

Robot 2 (copying gesture) Je regarde!

Inventor 2 (to Robot, hand gesture down) Toto ... assieds-toi!

Robot 2 (sits down) Je m'assieds!

Inventor 2 (to Robot, hand gesture up) Toto ... lève-toi!

Robot 2 (stands up) Je me lève!

Inventor 2 (turns to Inventor 1, proudly) Et mon robot? Génial, non?

Inventor 1 (rubs chin, looking doubtful) Hmmm!

The two Robots start to move around jerkily out of control.

Robot 1 (speech out of control) Bobo ... le robot ... génial ... génial...

Robot 2 (speech out of control) Toto ... le robot ... génial ... génial...

The two inventors try to stop them.

Inventor 1 (pleading) Non, non, s'il vous plaît, ça suffit, les robots!

Inventor 2 (pleading) Non, non, s'il vous plaît. Toto, Bobo, ça suffit!

The two Robots collide and fall to the ground with a bang.

Inventor 1 (shaking head sadly) Oh là là! Au revoir, Bobo!

Inventor 2 (shaking head sadly) Oh là là! Au revoir, Toto!

Both inventors (gesturing with arms) Les robots, pfff!

(wave to audience and walk off) Au revoir!
